

PROGRAM AT A GLANCE

4th INTERNATIONAL FORUM ON HIV AND REHABILITATION RESEARCH & INTERSECTORAL POLICY DIALOGUE - Translating Evidence on HIV, Aging and Rehabilitation Interventions into Practice: Advancing Research, Practice and Policy for Healthy Aging

Saturday June 16, 2018, 8:00am-5:00pm

Li Ka Shing Knowledge Institute, St. Michael’s Hospital, Toronto, Canada

Translating Evidence on HIV, Aging and Rehabilitation Interventions for Successful Aging; Advancing Research, Practice and Delivery	
Objectives: 1) To facilitate knowledge transfer and exchange (KTE) on HIV and rehabilitation research, clinical practice and service delivery, among people living with HIV, researchers, clinicians on HIV, representatives of community organizations, and policy makers internationally; 2) To establish new research and clinical partnerships in HIV and aging internationally; 3) To foster mentorship and training in HIV and aging research	
Time	Topic
800-845	Breakfast and Registration & <i>Realize</i> AGM
845-900	Welcome and Introductions & Overview of Agenda
900-920	Overview of <i>Realize</i> and the HIV and Aging Initiative Canada-UK (now International) HIV and Rehabilitation Research Collaborative (CIHRRC) Framework of Research Priorities in HIV, Disability and Rehabilitation
930-1015	Healthy Aging with HIV in the Context of Rehabilitation – Measuring Health and Effectiveness of Interventions - How far have we come and where are we going in the future? (TBC) Speaker: Richard Harding, Cicely Saunders Institute, King’s College London, United Kingdom
1015-1030	Break
1030-1200	Research Evidence Panel Session 1 Implementing HIV and rehabilitation Research into Practice – <u>Multimorbidity, Frailty, and Community Engagement & Social Participation</u> This session will include a series of presentations followed by interactive discussion focused on emerging research evidence related to HIV, aging and multimorbidity in the context of disability and rehabilitation. Speakers will include community members researchers, clinicians from Canada, the United States, and Ireland. Confirmed Speakers: Colm Bergin (St. James’s Hospital, GUIDE Clinic, Trinity College Dublin, Ireland), Francisco Ibáñez-Carrasco (St. Michael’s Hospital, Toronto), Patty Solomon (McMaster University, Hamilton), Charles Emler (University of Tacoma, Washington, USA), Julian Falutz (McGill University Hospital Centre, Montreal)

Translating Evidence on HIV, Aging and Rehabilitation Interventions for Successful Aging; Advancing Research, Practice and Delivery

Time	Topic
1200-1230	Lunch
1230-145	<p>Research Evidence Panel Session 2A Implementing HIV, Aging and Rehabilitation Intervention Research into Practice – <u>Successful Aging Interventions and Models of Rehabilitation Delivery</u></p> <p>This session will include a series of presentations followed by interactive discussion focused on research evidence related to rehabilitation interventions and living well strategies for older adults living with HIV. Speakers will profile evidence on models of rehabilitation and the impact of interventions for healthy aging with HIV.</p> <p>Confirmed Speakers: Soo Chan Carusone (Casey House, Toronto), Kyle Vader (Kingston Health Sciences Centre-Hotel Dieu Hospital, Kingston), Claire Kendall (Bruyere Institute, Ottawa), Cuisle Forde (Physiotherapy, Trinity College Dublin, Ireland)</p>
1:45-2:45	<p>Research Evidence Panel Session 2B Implementing HIV, Aging and Rehabilitation Intervention Research into Practice – <u>Exercise and Wellness Interventions</u></p> <p>Confirmed Speakers: Darren Brown (Chelsea and Westminster Hospital, UK), David Kietrys (Rutgers University, USA), Mary Lou Galantino (Stockton University, USA), Adria Quigley (Dalhousie University), Kelly O’Brien (University of Toronto)</p>
2:45-3:00	Break
300-430	<p>Panel Session - Bridging the Evidence with Real World in Research and Practice: Community and Clinical Perspectives across the Continuum of Care Aging with HIV</p> <p>This session will include a presentation of a case study and a series of panelists including people living with HIV, researchers, and clinicians from the community who will comment on the research evidence, identify key priorities in the field, and discuss opportunities to enhance service delivery for adults aging with HIV.</p> <p>Opening Remarks: Greg Robinson (Community Member, Toronto) Moderators: Larry Baxter (Community Member, Halifax) and Patty Solomon (McMaster University) Confirmed Panelists: Dawn James (Nine Circles Community Health Centre, Winnipeg), Caitlin Wharin (Casey House, Toronto), Esther McDonnell (Chelsea and Westminster Hospital, London, UK), Gord Arbess (St. Michael’s Hospital, Toronto)</p>
430-550	<p>Bringing it all Together –Review of Research Priorities in HIV and Aging</p> <p>In this session we will discuss ways to identify and address new and emerging issues in HIV, aging and rehabilitation, highlighting new opportunities for collaboration in research and practice. In this session we will also discuss strategies to enhance Knowledge Transfer and Exchange on HIV and rehabilitation research.</p>
450-500	Wrap-Up and Evaluation / Closing Remarks

Rapporteur Team: Lisa Bouhcer (Bruyere Institute, Ottawa), Matthieu Dagenais (Rehabilitation Sciences Institute, University of Toronto), Neda Mortaji (Department of Physical Therapy, University of Toronto)

Acknowledgements: The 4th International Forum on HIV and Rehabilitation Research and Intersectoral Policy Dialogue is funded by a Meeting, Planning and Dissemination Grant from the Canadian Institutes of Health Research (CIHR), Institute of Aging. We also acknowledge support from the Canadian Alliance in HIV and HCV Knowledge to Action, St. Michael’s Hospital, and Filming by Three Flying Piglets, Gay Men’s Health Collective (GHMC).
